

You must be logged in with a WWS owners account to access several owner input opportunities or any of the Community Groups. All owner accounts are preconfigured based on the Trinity County Appraisal District (TCAD) property records owner(s) name. An account is provided for each officially recorded listed owner. Any additional accounts per verified WW owners must be requested thru a [Owner Account Request](#) form listed in the site footer.

Go to

<https://www.wwsconnect.com> and located in the top right corner of the page, enter the Username and Password, as described below, and then, click the "**Log in**" button.

The same log in information is used for the app log in.

- To log in, the **Username** is your last name first name street number i.e. for Smith Joe Adam & Sally Jo. @ 110 Salt Creek Acres Dr.
 - Remember, this information is based on Trinity County Appraisal District (TCAD) property records.
 - The two accounts would be "smithjoe110" and "smithsally110"

- Best effort was given to adjusting uniquely formatted last names for use in the username field. i.e. Removed spaces within the last name. Please use the [Contact Support](#) if problems persist logging into your account.
- The **password** is "**changeme**".
- First time logins to an account are prompted to change the password.
 - **Password change is required.**
 - Passwords are case sensitive!
 - Minimum of at least 8 characters.
 - Type in the current password (changeme) and your new password twice
 - **NOTICE:** passwords cannot be read by anyone, including the Site Administrator, *only changed*, so you might want to write it down or save it on your device when prompted. *This same process is also followed for [lost password](#) requests.*

Password has been changed

Continue

- Click the "**Save changes**" button at the bottom of the page, and then, click the "**Continue**" button to complete the process.
